

Made to order in a variety of sizes, materials, and finishes

Arms shown in steel with a black oxide patina

Shapes shown in bronze with satin finish and rose patina, and in steel with heat treated finish, black oxide and red oxide patinas

60" dia x 105"h

An undulating composition of discs, rings, and half moons cascade from large sweeping arcs to create a hypnotic hanging sculpture. Surface textures that recall illuminated stars, dusty planet surfaces or shimmering comet tails, circle in orbit as the viewer travels around the mobile.

Made in Brooklyn, NY
