

Made to order in a variety of sizes, materials, and finishes

Solid steel base with heat treated patina

Satin bronze reveal

3/4" Milas Lilac marble inset top, polished finish

22" DIA x 25"H

A cylindrical volume is gesturally carved away, generating a dialogue between the rolled form and the negative space revealed within. A fragmented composition emerges, a tension between mass and the loss of form, that shifts from solid to void as the viewer moves around the piece.

Made in Brooklyn, NY
