

REMAINS URN

Made to order in a variety of sizes, materials, and finishes

Shown with rose gradient patinated bronze shaft

Steel with a black oxide patina

Semi-circle marble with Verdegris patinated steel

Black granite base

10" w x 10" l x 12.5" h

Made from a collection of bold geometric shapes in bronze, blackened steel and marble, the Remains Urn emanates strength and balance. Like a figure in contrapposto, the forms lean against one another, creating an elegant asymmetrical composition.

Made in Brooklyn, NY
